

List of successful grant applicants 2015

Junior Scientist Travel Grant (non-GS Meeting)

Anastasia Alataki, University of Leeds
Alexia Alexandraki, University of Leeds
Gaia Andreoletti, University of California
Sanju Ashraf, University of Edinburgh
Elvire Berthenet, University of Swansea
George Blundell-Hunter, University of Nottingham
Laura Bouvet, University of Cambridge
Simon Brown, University of Aberdeen
Lewis Campbell, University of Exeter
Helena Cantwell, The Francis Crick Institute
Francesca Carlisle, University of Exeter
Fu-Sheng Chang, University of Oxford
Pratima Chennuri, UCL Cancer Institute
Sek Shir Cheong, University College London
Aldona Chmielewska, The Francis Crick Institute
Xun Yu Choong, University College London
David Courtney, Ulster University
Daniel Couto, The Sainsbury Laboratory, Norwich Science Park
Margaret Crawford, University of Sussex
Siyu Ding, Imperial College London
Anna Dowbaj, The Francis Crick Institute
Nil Ege, Cancer Research UK
Yara Elena, Cambridge Biomedical Campus
Jamie Ellingford, University of Manchester
Cerys Evans, University College London
Teri Evans, University of Nottingham
Fernanda Ruiz Fadel, University of Lincoln
Andrés G. de la Filia, University of Edinburgh
Daniel Foxler, Queen Mary University of London
Jacob Galson, University of Oxford
Sophie Gilbert, Imperial College London
Adam Hargreaves, University of Oxford
Peter Hill, Imperial College London
Laurie Holt, University of Oxford
Rachelle Irwin, Ulster University
Xue Jiang, University of Warwick
Belinda Kahnt, Martin Luther University of Halle-Wittenberg
Thomas K Karikari, University of Warwick
Anastasiya Kishkevich, University College London
Iwo Kucinski, University of Cambridge
Duvaraka Kulaveerasingam, King's College London
Samantha Laber, MRC Harwell
Maria J. Gomez Lamarca, University of Cambridge
Kif Liakath-Ali, King's College London
Luca Livraghi, Oxford Brookes University

Rodanthi Lyraki, University of Edinburgh
Manuela Marescotti, University of Edinburgh
Andrew Mason, University of Edinburgh
Niki McAllister, University of Birmingham
Greg Mellers, University of Cambridge
Yuliana Mihaylova, University of Nottingham
Rebecca Milner, University of Nottingham
Arun Prakash Mishra, The Centre for Cellular and Molecular Biology, Hyderabad, India
Sybille Mittmann, James Hutton Institute
Apoorva Mulay, University of Sheffield
Laura Ann Mulcahy, Oxford Brookes University
Carolyn Anne Müller, University of Nottingham
Niamh Mullins, King's College London
Myrsini Eirini Natsopoulou, University of Copenhagen
Sarah-Lena Offenburger, University of Dundee
Olubukola Oluyombo, University of Nottingham
Barbara Ottolini, University of Leeds
Sofia Pavlou, Queen's University Belfast
Reuben Pengelly, University of Southampton
Madeleine Pope, MRC Harwell
Paulina Powalowska, University of Nottingham
Laura Pulford, University College London
Annis Richardson, John Innes Centre
David Robinson, University of Greenwich
Hannah Robinson, Cardiff University
Jimena Monzón Sandoval, University of Bath
Matthew Shannon, King's College London
Jeremy Solly, University of Cambridge
Jana Stastna, University of Canterbury
Emily Seward, University of Oxford
Victoria Shone, King's College London
Matthew Swaffer, Cancer Research UK
Panagiotis Theodorou, Martin Luther University of Halle-Wittenberg
Ricky Trigg, University of Cambridge
Jason Saunders Williams, University of Bangor
Alison Wright, University of Sheffield

Junior Scientist Travel Grant (GS Meeting)

Agnese Balzani, University of Newcastle
Srishti Chawla, Florida International University
Timothy Jon Cooper, University of Sussex
Xiao Wei Wendy Gu, University of Cambridge
Reuben Pengelly, University of Southampton
Gavin Rutledge, Wellcome Trust Sanger Institute
Nikol Voutsina, University of Southampton
Kayleigh Wardell, University of Sussex
Alexander David Widger, National Institute for Medical Research

Junior Scientist Travel Grant (SIG Meeting)

Dominic Johnson, University of Sussex

Ioanna Leontiou, Wellcome Centre for Cell Biology, Edinburgh

Heredity Fieldwork Grant

Fraser Combe, Manchester Metropolitan University

Angus Davison, University of Nottingham

Deborah Fogell, University of Kent

Robyn Manley, University of Exeter

Kate Petty, University of Bath

Robin Southon, University of Bristol

Kim Warren, Queen Mary University of London

Kirsten Wolff, Newcastle University

Training Grant

Mairead Bermingham, Western General Hospital, Edinburgh

Lewis Campbell, University of Exeter

Laura Demandt, King's College London

Claire Dent, Queen Mary University London

Samia Elfekih, CSIRO Ecosystem Sciences, Australia

Jack Green, University of Cambridge

Michalina Hanzel, King's College London

Jasmien Hillen, University of Leuven, Belgium

Emily Hornett, University of Cambridge & Penn State University

Tom Jenkins, University of Exeter

Ioannis Kasiouis, University of Dundee

Yen-Ting Lu, The University of Edinburgh

Pinar Ustaoglu, University of Birmingham

Varun Warriar, University of Cambridge

Lucy Wheatley, Weatherall Institute of Molecular Medicine, Oxford

Yanushi Dullewe Wijeyeratne, St George's University, London

Summer Studentships

Julie Ahringer, University of Cambridge

Nazif Alic, University College London

Robin Allshire, University of Edinburgh

Camilla Ascanelli, Newcastle University

Stephen Aves, University of Exeter

Mark E. S. Bailey, University of Glasgow

Joseph Bateman, King's College London

Christoph Baumann, University of York

Mark Chapman, University of Southampton

Tracey Chapman, University of East Anglia

Alan Cheung, University College London

Caroline Dean, John Innes Centre, Norwich

Hannah Dugdale, University of Leeds
Kevin Fowler, University College London
Kevin Hardwick, University of Edinburgh
Adrian Harwood, University of Cardiff
Jonathan Hodgkin, University of Oxford
Yalda Jamshidi, St George's University London
David Lydall, Newcastle General Hospital
Sarah Newbury, Brighton & Sussex Medical School
Maria Daniela Santos Nunes, University of Oxford
Paul Nurse, The Francis Crick Institute
Ruth Morse, University of the West of England
Sterghios Athanasios Moschos, University of Northumbria
Darren Obbard, University of Edinburgh
Steen Kian Thye Ooi, University College London
Vincent Plagnol, University College London
Richard Poole, University College London
Max Reuter, University College London
Peter Sarkies, Imperial College London
Amanda Sferruzzi-Perri, University of Cambridge
Dr Sari Pennings, University of Edinburgh
Seirian Sumner, University College London
Chad Swanson, King's College London
Takashi Toda, The Francis Crick Institute
Mick Tuite, University of Kent
Emanuela Volpi, University of Westminster
Colum Walsh, University of Ulster
Felicity Watts, University of Sussex
David Whitmore, University College London
Herman Wijnen, University of Southampton
Alison Woollard, University of Oxford

Sectional Interest Group

Andrew Chalmers, University of Bath
Nicholas Greene, University College London
Simon Martin, University of Cambridge
Josephine Pemberton, University of Edinburgh
Nic Tapon, The Francis Crick Institute

One off meeting sponsorship

Aziz Aboobaker, University of Oxford
Hannes Becher, Queen Mary University of London
Peter Etchells, University of Durham
Hannah Green, University of Cambridge
Stephanie Hoehn, University of Cambridge
Christopher Howe, University of Cambridge

Ian Jackson, Western General Hospital
Jens Januschke, University of Dundee
Ben Longdon, University of Exeter
Mike Ritchie, University of St Andrews
Darren Obbard, University of Edinburgh
Jonathan Pettit, University of Aberdeen
Antonius Plagge, University of Liverpool
Claire Price, University of Swansea
Samuel Rund, University of Edinburgh
Nic Timpson, University of Bristol
James Turner, The Crick Institute
Douglas Vernimmen, University of Edinburgh
Nicole Ward, University of East Anglia
Bettina Wilm, University of Liverpool

Communicating Your Science Workshop

Ines Barreiros, University of Oxford
Mayank Chugh, University of Tübingen, Germany
Olivia Duncan, King's College London
Elizabeth Duxbury, University of Cambridge
Teri Evans, University of Nottingham
Emily Hawkes, John Innes Centre
Emily Hornett, University of Cambridge & Penn State University
Joanna Kenny, University College London
Michaela Kopischke, The Sainsbury Laboratory Norwich
Agnieszka Maslowska, University of Leicester
Lucy McCann, John Innes Centre
Carolin Anne Müller, University of Nottingham
Nelly Olova, University of Edinburgh
Antonio Fernández Pardiñas, University of Cardiff
Madeleine Pope, Harwell Science & Innovation Campus, Oxford
Sophie Robinson, Brighton & Sussex Medical School
Bianca Schmitt, University of Cambridge
Clara Sidor, MRC Laboratory of Molecular Biology, Cambridge
Amy Slater, University of Nottingham
Jose-Maria Urbano, University of Cambridge
