

List of successful grant applicants 2016

Junior Scientist Travel Grant (non-GS Meeting)

February

Jan Bettgenhaeuser, The Sainsbury Laboratory, Norwich Science Park
Georgina Brennan, Bangor University
Nathalie Feiner, Lund University, Sweden
Antonia Ford, Bangor University
Stamatina Fragkogianni, University of Edinburgh
Daniel Lock, Institute of Food Research, Norwich Research Park
Ana Karla Machado, Rothamsted Research
Sebastian Pfeilmeier, The Sainsbury Laboratory, Norwich Science Park
Federico Rossi, King's College London

April

Anne Caroline Barbosa, University of Nottingham
Suzana Ulian Benitez, University of Birmingham
Holly Black, Institute of Genetics and Molecular Medicine
Kay Boulton, The Roslin Institute
Aida Costa, University of Edinburgh
Mariana Costa, University of Edinburgh
Osman Adamu Dufailu, University of Nottingham
Amina Ahmed El-Imam, University of Nottingham
Fernanda Ruiz Fadel, University of Lincoln
Camilla Fairbairn, University of Cambridge
Nurun Fancy, University of Edinburgh
Guillermo Garcia, University of Dundee
Avazeh Ghanbarian, University of Cambridge
Benjamin Hall, Norwich Research Park, Norwich Research Park
David Howard, University of Edinburgh
Charlie Hurdle, University of Southampton
Sylwia Kedziora, University of Aberdeen
Taslina Khanam, University of Stirling
Ramada Khasawneh, University of Newcastle
Duvaraka Kulaveerasingam, King's College London
Christoph Kurze, Martin Luther University Halle-Wittenberg
Girish Mali, Institute of Genetics and Molecular Medicine
Maura Di Martino, University of Warwick
Alison McGarvey, University of Edinburgh
Lucia Morgado-Palacin, University of Edinburgh
Rikke Morrish, University of Exeter
Daniel O'Brien, University of Leeds
Burak Ozkan, University of Edinburgh
Antonio Fernández Pardiñas, University of Cardiff
Amy Royall, University of Oxford
Thomas Vincent, University of Southampton

Alexander Widger, University College London
Charley Xia, University of Edinburgh
Yanni Zeng, Royal Edinburgh Hospital

June

Vahid Aslanzadeh, University of Edinburgh
Anna Burt, University of Cardiff
Nicola Capstaff, University of East Anglia
Lingyan Chen, King's College London
Megan De Ste Croix, University of Leicester
Simon Dailey, University of St Andrews
Alexandra Davis, De Montfort University
Michael Dinan, University of Cambridge
Georgia Drew, University of Liverpool
Song Feng, University of Warwick
Miguel Foronda, University of Edinburgh
Myles Garstang, University of Essex
Sam Hyatt, University of Cardiff
Claudia Kathe, King's College London
Martijn Kelder, Institute of Genetics and Molecular Medicine
Katie MooreKatja Maierbrugger, King's College London
Roza Masalmeh, University of Edinburgh
Katie Moore, University of Ulster
Delyan Mutavchiev, University College London
Vasileios Papadogiannis, University of Oxford
Jose Vicente Torres Perez, Imperial College London
Lana Talmane, University of Edinburgh
Adriana Amorim Torres, University of Dundee
Adriana Iglesias Vasquez, Centre of Biological Studies of Chizé, France

August

Cynthia Carolina Abbonam, Museum of Natural History of San Rafael
Islam Abdull fattah Alshamleh, University of Newcastle
Antoniana Batsivari, University of Edinburgh
Nezha Suzanne Benabdallah, Institute of Genetics and Molecular Medicine
Anahi Liliana Binagui-Casas, University of Edinburgh
Rosie May Butler, King's College London
Wai Kit Chan, University of Edinburgh
Kathleen Christie, University of Ulster
Hugo Creeth, Cardiff University
Dulce Maria de Lima Cunha, University of Huddersfield
Anish Dattani, University of Oxford
Emma Davenport, The Broad Institute, USA
Olivia Duncan, King's College London
Charlotte Emily Flanagan, King's College London
Craig Glastonbury, University of Oxford
Michaela Holzem, Oxford Brookes University
Rachel Hunt, King's College London

Matthew Benjamin Johnson, University of Exeter
Anastasiya Kazachenka, University of Cambridge
Louis El Khoury, University of Essex
Amy McMahon, University of Ulster
Yuliana Valerieva Mihaylova, University of Nottingham
Miguel Ramirez Moreno, University of Southampton
Reka Nagy, University of Edinburgh
Mari Niemi, Wellcome Trust Sanger Institute
Aisyah Mohd Noor, King's College London
Nelly Olova, Institute of Genetics and Molecular Medicine
Robert Power, King's College London
Michela Pulix, University of Liverpool
Isobel Ronai, University of Sydney
Prateek Sharma, University of Birmingham
Nzar Shwan, University of Nottingham
Shivani Singh, University of Birmingham
Ilaria Volpi, University of Dundee
Josephine Beth Walton, University of Glasgow
Isabel Webb, University of Oxford
Belgin Yalcin, University of Cambridge
Xiao Xu, University of Nottingham

October

Vamsi Krishna Gali, University of Aberdeen
Christopher Johnston, University of Aberdeen
Belinda Kahnt, Martin Luther University, Germany
Alicia Lledo Lara, University of Oxford
Elisa Martelletti, King's College London
Andrea Rizzotto, Wellcome Trust Centre for Cell Biology, Edinburgh
Amy Slender, Flinders University School, Australia
Shivani Singh, University of Birmingham
Panagiotis Theodorou, Martin Luther University, Germany
Kayleigh Wardell, University of Sussex

December

Andrew Blease, MRC Harwell Science and Innovation Campus
Mahmoud Fassad, University College London
Gonçalo Faria, University of St Andrew's
Tom Jenkins, University of Exeter
Sarah-Jayne Mackin, University of Ulster
Surangi Nalika Perera, University of Cambridge
Varsha Patel, King's College London
Christian Schwall, University of Cambridge

Junior Scientist Travel Grant (GS Meeting)

Myles Garstang, University of Essex
Elizabeth Hay, University of Aberdeen
Irene Kallimasioti-Pazi, University of Edinburgh
Fionnuala Mckenna, University of Essex
Marta Lopez Morato, University of Nottingham
Tulsi Patel, University of Nottingham
Reuben Pengelly, University of Southampton
Bharat Pokhrel, University of Leeds
Nitikorn Poriswanish, University of Leeds
Nzar Shwan, University of Nottingham
Jennifer Westoby, University of Cambridge
Xiao Xu, University of Nottingham

Junior Scientist Travel Grant (SIG Meeting)

Claire Armstrong, University of East Anglia
Dr Joe Colgan, Queen Mary University of London
Mariana Costa, University of Edinburgh
Rebecca Lewis, University of East Anglia
Elizabeth Mittel, University of Glasgow
Liudmila Zhaunova, University of Edinburgh

Heredity Fieldwork Grant

January

Claire Armstrong, University of East Anglia
Jane Hosegood, Molecular Ecology and Fisheries Genetics Laboratory, Environment Centre Wales

April

Daniele D'Agostino, University of Nottingham
Mario Duran, University of Edinburgh

July

Charles Baillie, University of Salford
Tali Magory Cohen, Tel Aviv University
Daisy Gates, University of Exeter
Emily Humble, University of Bielefeld, Germany
Angelica Menchaca Rodriguez, University of Bristol
Ashley Sendell-Price (Cook), University of Oxford

October

Christopher Doble, University College London
Rowan Schley, Imperial College London

Training Grant

January

Anagha Krishna, University of Edinburgh

Niamh Mullins, King's College London

Josephine Paris, University of Sussex

April

Kathleen Christie, University of Ulster

Angelica Maria Cuevas Pulido, University of Oslo

Fernanda Ruiz Fadel, University of Lincoln

Johanna Fischer, Francis Crick Institute

Katherine French, University of Oxford

Sarah Nesbitt, University of Newcastle

Nicole Ward, University of East Anglia

July

Friederike Clever, University of Manchester

Rafael Homem, Rothamsted Research

Isobel Ronai, University of Sydney

Olivia Tidswell, University of Cambridge

October

Hannes Becher, Queen Mary University of London

Sahir Bhatnagar, McGill University, Canada

Summer Studentships

Christina Antoniou, University of Edinburgh

Conor Baxter, University of Edinburgh

Michael Casey, University of Cambridge

Ki Choi Chan, University of York

Ana da Costa, University of Southampton

Thomas Davies, University of Sheffield

Deborah Davy, University of Glasgow

Nino Dieseru, Keele Medical School

Ebba Engstrom, University of Edinburgh

Selina Fecht, Imperial College London

Charlotte Good, University of Nottingham

Jamie Paul Gorzynski, University of Aberdeen

Maria Imran, University of Manchester

Kinga Kolodziej, University of Leicester

Annie Liu, King's College London

Rhys McDonough, University of Sheffield

Marcella Montagnese, University of Cambridge

Sophie Ng, University of Manchester

Harriet Oliver, Imperial College London

Dominika Pelegrinova, University of Edinburgh
Blake Perkins, University of Leeds
Dominika Raffajova, University of Edinburgh
David Rapley, University of Sheffield
Sadaf Sohrabi Sedeh, University of Edinburgh
William Stephenson, University of Newcastle
Nikita Telkar, University of Newcastle
Amruta Tendolkar, University of Sheffield
Zoe Vance, Trinity College London
Xinyu Yu (Lisa), University College London

Sectional Interest Group

David John Allard, University of Exeter
Thorsten Allers, University of Nottingham
James Hodge, University of Bristol
Josephine Pemberton, University of Edinburgh

One off meeting sponsorship

Sarra Achouri, CamBioScience Ltd
Mr Luis Alberto Baena Lopez, Sir William Dunn School of Pathology, Oxford
Brian Charlesworth, University of Edinburgh
Dr Jonathan Chubb, University College London
Nathalie Feiner, Lund University
Kevin Fowler, University College London
Prof Nicholas Greene, University College London
Prof Anthony Isles, University of Cardiff
Chris Jiggins, University of Cambridge
Sebastian Kittelmann, Oxford Brookes University
Alexander Lorenz, University of Aberdeen
Alistair McGregor, Oxford Brookes University
Nicola Nadeau, University of Sheffield
Nisha Nair, University of Manchester
Mariam Osman, Genetic Alliance UK
Dr Silvia Paracchini, University of St Andrews
Reuben Pengelly, University of Southampton
Nic Tapon, Cancer Research UK
Carika Weldon, DeMontfort University

Communicating Your Science Workshop

Rachael Baker, University of Bristol
Anna Burt, University of Cardiff
Helena Cantwell, The Francis Crick Institute
Robert Chapman, Goldsmiths University, London
Sara Clohisey, The Roslin Institute, London
Georgina Donati, Birkbeck, University of London
Lorenz Fuchs, Aberystwyth University
Leanne Grech, University College London
Thomas K. Karikari, University of Warwick
Jo Mitchelmore, The Babraham Institute
Tasabeeh Mohamed, University of Nottingham
Reka Nagy, University of Edinburgh
Samantha Saunders, University of Bristol
Emily Smith-Woolley, King's College London
Kiah Tasman, University of Bristol
Nia Thomas, Cardiff University
Cristiana Vagnoni, Oxford University
Kayleigh Wardell, University of Sussex
Gala Ramón Zamorano
